

TUNISIESMS Module

Sending SMSs very easily, individually or collectively

Configuration

You have to give right to user for using TUNISIESMS Gateway functionality

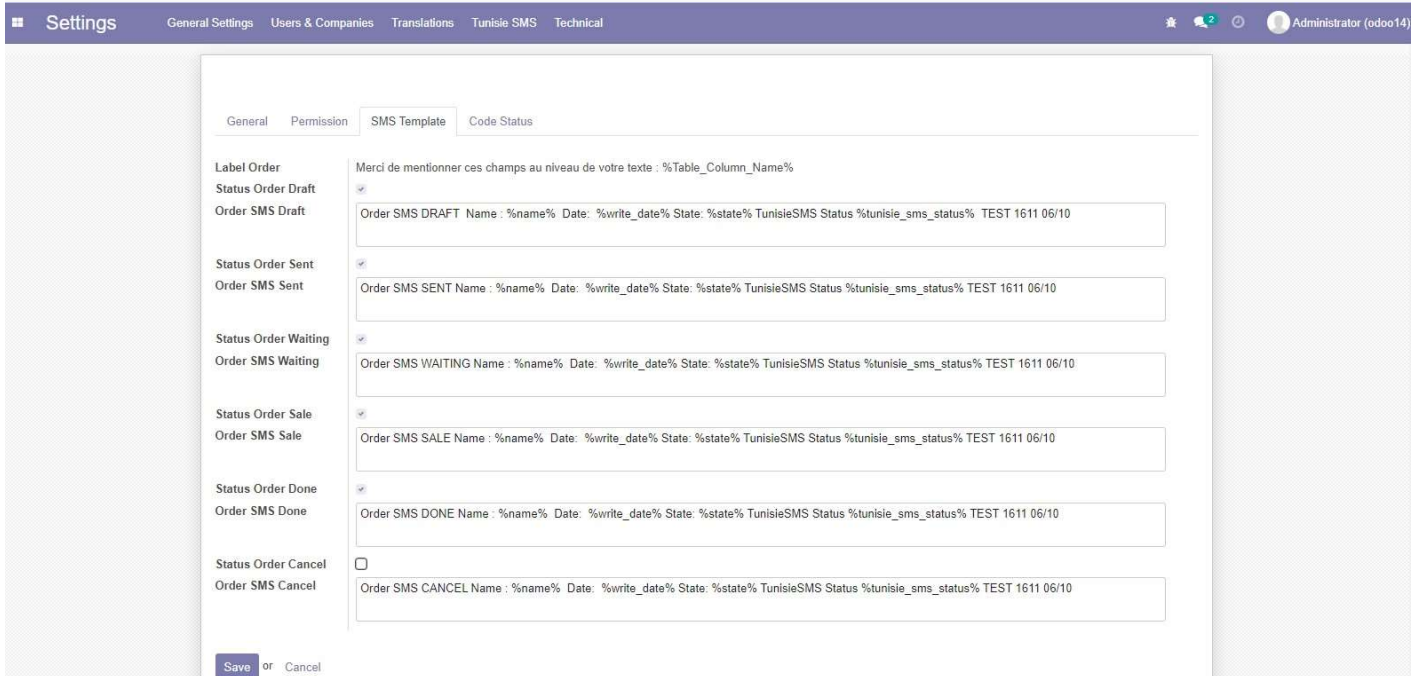

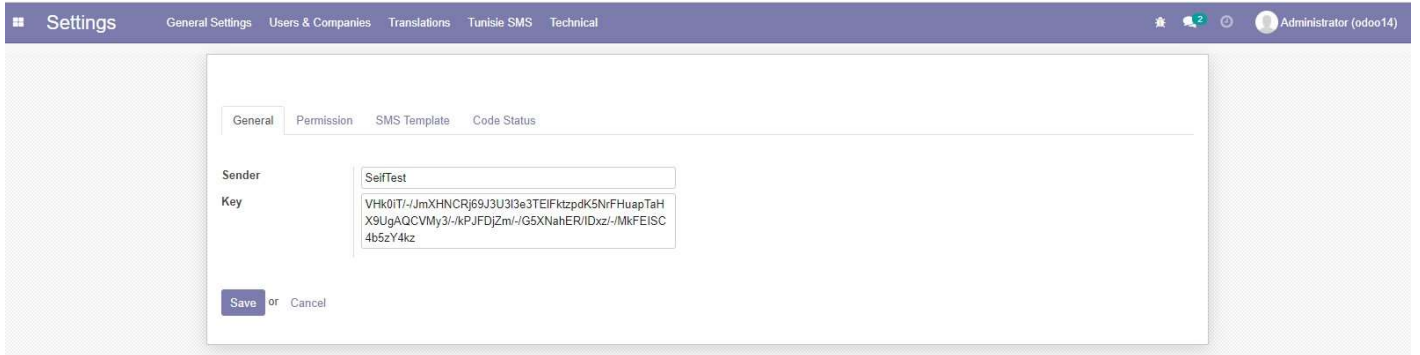

The screenshot displays the 'Settings' page for the TUNISIESMS Gateway. The navigation menu includes 'General Settings', 'Users & Companies', 'Translations', 'Tunisie SMS', and 'Technical'. The user is logged in as 'Administrator (odoo14)'. The 'Access Permission' section is active, showing a table with the following data:

Name	Login	User Profile	Language	Latest authentication	Two-factor authentication	
Administrator	seifeddineberkaya19@gmail.com		English (US)	09/30/2021 11:17:18	<input type="checkbox"/>	✖

Below the table, there is an 'Add a line' button and a 'Save or Cancel' button.
